Carlo is a powerhouse in the theater! This Drama Desk-nominated director is also an accomplished writer, visionary producer, award-winning actor, and innovative storyteller whose work is praised as "hugely entertaining" (New York Times), "wonderfully surreal" (New York Magazine), and "deadly relevant" (Theater Mania). As the creative director and founder of Live in Theater Productions, Carlo has entertained and captivated over a million audience members. His ensemble delivers 500-700 performances annually, each one a testament to his ability to engage and enthrall. A great collaborator, he has worked with some of the largest brands in the world, including Diageo, Dewars, and Peacock, to name a few. He continually redefines live entertainment, pushing the boundaries of what it can be.
